

Press Release

Fort Bend County Municipal Utility District No. 25 selects Harris' inHANCE Utility Solutions

Fort Bend County Municipal Utility District No. 25 located in Sugar Land, TX has selected Harris' inHANCE, a subsidiary of Constellation Software Inc., to implement its CIS and Utility Billing Solution.

Fort Bend County Municipal Utility District No. 25 currently serves approximately 5,000 water and sewer customers. After an extensive search and detailed evaluation process, the inHANCE CIS and Utility Billing Solution was selected to replace their current system. "Fort Bend County Municipal Utility District No. 25 is a sophisticated operation whose requirements included extensive e-business functionality as well as remote work order and customer service mapping functionality. Their needs and our solution are a very good fit!" reports Hope Close, the sales consultant who worked with Fort Bend management and staff during the evaluation process.

Harris is a wholly owned subsidiary of Constellation and is a leading provider of financial management and Customer Information Systems (CIS) software solutions. Since 1976, Harris has focused on providing feature-rich and robust turnkey solutions to all levels of local government, public power and water entities as well as school districts throughout North America. Harris' focus is on creating long-term relationships with our customers and ensuring that we meet the changing needs of our customers over time.
